Statement of research and background information

Provide the following:

- **A resume or CV that includes your educational background.**
- **Proposal that includes: 1) a description of the research you will be conducting, 2) a budget and budget justification, and 3) a list of references/cited literature (not included in the page limit). The proposed budget and budget justification should indicate all expenses that the scholarship would be used towards, including travel expenses and/or research supplies. Describe the research in no more than 4 pages. What issues are you addressing? Why is this important? What goals do you want to accomplish? What is your methodology? How will you measure success? What are next steps for your work? How will these funds enhance your work? Is this a stand-alone project or part of a bigger project? Why are you the strongest candidate?**
- **Letter of support from a scientific advisor or other qualified individual who can assess the scientific merit of your application and your ability to perform this work.**

Email this form, completed, along with the documents listed above to scholarship@mawdc.org
